By the way...You are awesome!

About Me *Get to know me in 50 words or less*

I love my wife and kids, I love Jesus as my Savior and I love bad dad jokes! If it involves the outdoors, count me in. I do freelance videography, graphic design, and web design. I'm an introverted extrovert who finds humor in almost everything. I think we'll get along!

All Work & No Play *OK...maybe a little play*

Missionary - Iris Global

Dec. 2018 - Dec. 2020

I served with Iris Global as a long term missionary at a children's home in South Africa called Footprints. My primary responsibilities were to **teach, disciple, lead worship, preach, serve** the children, and minister in the surrounding townships.

Youth & Worship Pastor - Paso Robles Bible Church (PRBC)

June 2014 - Dec. 2018

Once a former student in the Youth Group, I was honored to return as the Youth Pastor. **Leading and teaching students** on a weekly basis, I also **developed an awesome team of volunteers**. If God puts youth on your heart, it's the best job you could ever have!

Graphic Designer - J.Carroll

November 2015 - June 2018

Using **Adobe Illustrator & Photoshop**, I worked with 10-20 clients at a time to develop a wide variety of graphic design elements. Working with **strict production deadlines**, I gained valuable skills in **project & time management**, as well as **customer relations and multitasking**.

Media & Retail Manager - Santa Margarita KOA Campground

Jan. 2013 - Nov. 2015

As the first point of contact for all campers, I was the "face of KOA." Through **hospitality, genuine connection and a whole lot of fun**. Promotional videos I filmed and edited with **Final Cut Pro** are responsible for raising more than \$24,000 for charity.

Education *Book-smarts...and some street-smarts*

Biola University

Graduated in May, 2012

Bachelor of Arts in **Christian Ministry**
Additional Minor in **Biblical Studies**
